# **DIFFERENT PROGRAMME RUN BY RADHA BAL MANDIR VIDHYALAYA SAMITI**

- **DEVELOPMENT OF GREEN AREA AND PLANTATION**
- **AWARENESS OF YOGA & NATUROPATHY**
- **MEDICAL CAMP**

# DEVELOPMENT OF GREEN AREA AND PLANTATION

## Impact of Radha Bal Mandir Vidhyalaya Samiti's Green Area and Plantation Program (2020-2021)

- **Objective**: The primary objective of the Green Area and Plantation Program initiated by Radha Bal Mandir Vidhyalaya Samiti was to promote environmental awareness and sustainable practices among students and staff. Through this program, the school aimed to create a greener and healthier environment within the school premises, fostering a sense of responsibility towards nature among the school community.

# IMPACTS

- **Environmental Education:** The program significantly enhanced students' understanding of environmental issues and the importance of preserving nature. Practical activities such as planting trees and maintaining green spaces served as hands-on lessons in environmental conservation.
- **Improved Air Quality:** The addition of green areas and trees within the school helped improve the air quality. Trees act as natural air filters, reducing pollutants and providing fresher air for students and staff.
- **Biodiversity Enhancement:** By planting a variety of trees and plants, the program contributed to biodiversity enhancement. Students learned about different plant species and their roles in supporting local ecosystems.

# IMPACTS

- Over 200 trees were planted on the school premises, including native species known for their environmental benefits.
- Workshops and seminars on environmental conservation were organized, featuring guest speakers from environmental organizations.
- The program encouraged waste reduction and recycling practices within the school.
- Students actively participated in creating compost from organic waste, which was then used in the school garden.
- The school hosted an "Environment Day" event, showcasing the achievements of the program and spreading awareness to the wider community.
- Many students expressed interest in pursuing careers related to environmental science and conservation as a result of their involvement in the program.

- Overall, Radha Bal Mandir Vidhyalaya Samiti's Green Area and Plantation Program in the year 2020-2021 had a multifaceted impact, not only on the school environment but also on the mindset and behaviors of its students and staff towards sustainable living and environmental stewardship.

# AWARENESS OF YOGA & NATUROPATHY

## Impact of Radha Bal Mandir Vidhyalaya Samiti's Awareness of Yoga & Naturopathy Program (2020-2021)

- **Objectives:** The primary objectives of the Awareness of Yoga & Naturopathy Program initiated by Radha Bal Mandir Vidhyalaya Samiti were to promote holistic health practices, mental well-being, and traditional Indian knowledge among students and staff. Through this program, the school aimed to educate and empower individuals to lead healthier lifestyles and manage stress effectively.

# IMPACTS

- **Improved Physical Health:** The program led to improved physical health among students and staff who participated. Regular yoga sessions helped enhance flexibility, strength, and overall fitness levels. Naturopathic practices such as herbal remedies and dietary changes contributed to better health outcomes.
- **Enhanced Mental Well-being:** Participants reported reduced stress levels and increased mental clarity after engaging in yoga and naturopathy sessions. Breathing exercises and meditation techniques taught during the program helped manage anxiety and improve focus.
- **Cultural Appreciation:** The program deepened students' understanding and appreciation of traditional Indian practices. Learning about the history and benefits of yoga and naturopathy promoted a sense of cultural pride and heritage.

- **Lifestyle Changes:** Many students and staff adopted healthier lifestyles outside of school hours, incorporating yoga exercises and naturopathic principles into their daily routines. This had a long-lasting impact on their overall well-being.
- **Academic Performance:** Teachers noted an improvement in students concentration and academic performance following the introduction of the program. The stress-relief techniques taught in yoga and naturopathy sessions translated into better focus during classes.
- **Community Building:** The program created a sense of community among participants. Yoga and naturopathy sessions became spaces for bonding and sharing experiences, fostering a supportive environment within the school

## Key Points:

- Yoga and naturopathy sessions were conducted regularly, with trained instructors guiding participants through various postures, breathing techniques, and mindfulness practices.
- The program included workshops on healthy eating habits, emphasizing the importance of a balanced diet for overall well-being.
- Students were introduced to Ayurvedic principles, learning about the healing properties of herbs and natural remedies.
- The school organized a "Health and Wellness Week," featuring interactive sessions, talks by experts, and demonstrations on yoga and naturopathy.
- Participants were encouraged to practice yoga and naturopathy at home, with resources provided by the school such as instructional videos and guides.

Overall, Radha Bal Mandir Vidhyalaya Samiti's Awareness of Yoga & Naturopathy Program in the year 2020-2021 had a significant impact on the physical, mental, and emotional well-being of its participants. By integrating traditional Indian practices with modern health education, the program not only promoted healthier lifestyles but also fostered a sense of cultural identity and community within the school.

# MEDICAL CAMP

## Radha Bal Mandir Vidhyalaya Samiti's Medical Camp and COVID-19 Safety Distribution (2020-2021)

**Objectives:** The Medical Camp and COVID-19 Safety Distribution program organized by Radha Bal Mandir Vidhyalaya Samiti in 2020-2021 aimed to address the health and safety needs of the school community during the COVID-19 pandemic. The primary objectives were to provide access to medical check-ups for students and staff, raise awareness about COVID-19 prevention measures, and distribute essential items such as masks and sanitizers to ensure a safe learning environment.

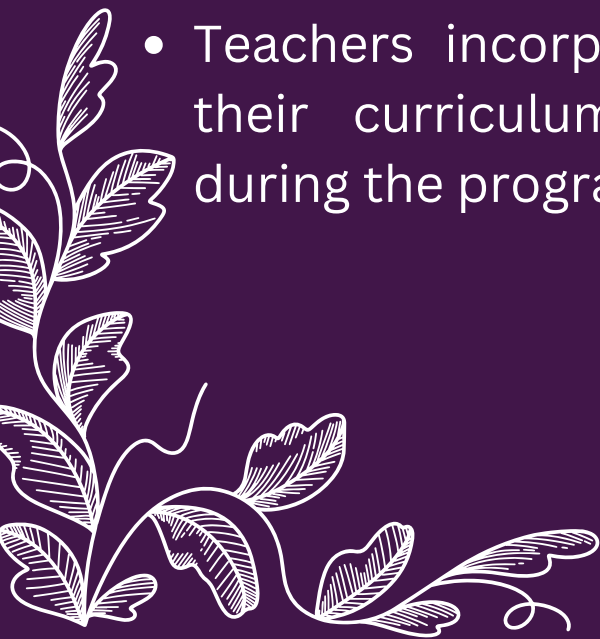

# IMPACT

- **Health Check-ups:** The medical camp provided a valuable opportunity for students and staff to receive basic health check-ups. This included measurements such as temperature, blood pressure, and general health assessments. Early detection of health issues was made possible, allowing for timely interventions.
- **COVID-19 Awareness:** Through the camp, students and staff were educated about COVID-19 symptoms, prevention measures, and the importance of hygiene practices. This knowledge was crucial in reducing the risk of transmission within the school community.
- **Preventative Measures:** The distribution of masks and sanitizers played a significant role in promoting a safe environment. Students and staff were equipped with the necessary tools to practice proper hygiene and reduce the spread of the virus.
- **Empowerment:** Students and staff felt empowered and supported by the school's proactive approach to health and safety. Knowing that the school administration cared about their well-being instilled a sense of confidence and security.

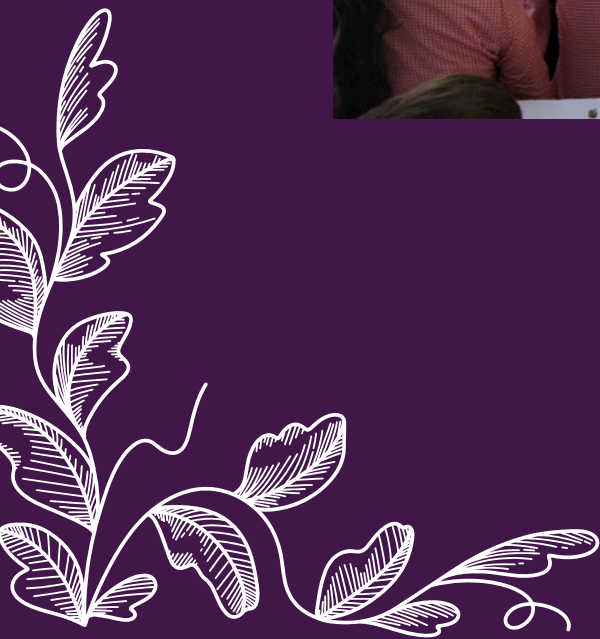

# KEYPOINTS

- The medical camp conducted basic health screenings for over 500 students and staff members.
- Educational sessions were held to teach students about proper handwashing techniques, mask-wearing, and physical distancing.
- Over 1000 masks and 500 bottles of sanitizers were distributed to ensure that every student and staff member had access to these essential items.
- Informational posters and banners about COVID-19 safety measures were displayed throughout the school premises.
- The school collaborated with local health authorities to ensure that the medical camp followed all necessary safety protocols.
- Teachers incorporated COVID-19 safety topics into their curriculum, reinforcing the lessons learned during the program.

In conclusion, Radha Bal Mandir Vidhyalaya Samiti's Medical Camp and COVID-19 Safety Distribution program in 2020-2021 had a significant impact on the health and well-being of the school community. By providing health check-ups, raising awareness, and distributing essential items, the program contributed to a safer and more informed learning environment amidst the challenges of the pandemic.

# SCHOOL & COLLEGE RUN UNDER RADHA BAL MANDIR VIDHALYA SAMITI

- **Public Montessori Sen. Sec. School**
- **Gokul Babu Degree College**
- **Pipar Teacher Training college**

# PUBLIC MONTESSORI SENIOR SECONDARY SCHOOL

Public Montessori Senior Secondary School, operating under the aegis of Radha Bal Mandir Vidyalaya Samiti, is a distinguished educational institution dedicated to providing high-quality education to students in grades 9 through 12. The school is renowned for its emphasis on both science and arts streams, ensuring a well-rounded academic experience.
